October 14, 15 & 16

Three fun-filled days! Book your arrival time with us and we'll greet you with your Festival Passport buttons (\$7/ea). All revenues go to the Bala Cranberry Festival, a non-profit, volunteer organization.

Your Passport Button gets you on our wagon tour for free!
Wine tasting tickets are also available.

OPEN DAILY, YEAR ROUND! Harvest isn't the only time to visit!

- **April/May** - *We're Seeing Red!* When cranberry vines are dormant, the leaves turn burgundy. See our beds of red!
- **June/July** - *Blossom Time!* The blossoms look like the head of a crane (hence, 'crane berries'). See these amazing flowers!
- **Aug/Sept** - *Green Berries!* Tiny, pinhead fruit forms behind the blossom and grows to full-sized cranberries!
- **October** - *HARVEST!* From Sept 24 to the end of October! See the crimson harvest and spectacular fall colours!
- **Nov/Dec** - *Winter's Coming!* See the vines change to burgundy and taste our newest vintages!
- **Jan/Feb/Mar** - *Winter's Here!* Warm up with hot mulled cider and wine after a snowshoe on The Cranberry Trails!
